

Colours of the Rainbow

In autumn, most trees lose their leaves; before they fall they turn beautiful colours. This activity is all about colours around you. Take a look around the garden and try to find something to match each colour of the rainbow. You can either write down what you find, draw a picture or if its not alive, you can stick it on this sheet.

| | | | |
|--------------|---------------|---------------|-------------|
| <u>White</u> | <u>Red</u> | <u>Yellow</u> | <u>Pink</u> |
| <u>Green</u> | <u>Purple</u> | <u>Orange</u> | <u>Blue</u> |
